Chickering

Oldest in America, Best in the World

Its career of nearly ninety years has been of uninterrupted honor—and honor because of excellence—and honor with success.

The ineffable beauty of the Chickering tone is the despair of its imitators, and, coupled with the highest quality of workmanship, makes the Chickering practically invincible.

Is it any marvel, then, that it occupies the proudest place today ?

P R E F A C E

THIS Seventh Edition of the BLUE BOOK possesses some features which we trust will entitle it to retain the high place in public favor that has been accorded its predecessors. We desire especially to thank our lady patrons for their cordial appreciation of our efforts.

It has been our endeavor to make this work as complete and valuable as possible. The difficulty attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We hope to make the BLUE BOOK as nearly perfect as it is possible to make such a volume.

We do not claim the BLUE BOOK is either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of the most prominent householders and residents published in the most convenient form for reference by our lady patrons.

The title "BLUE BOOK," is given the work because of its blue cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "Blue Book—a book containing a list of fashionable addresses."

Please send any information you may have that will aid in keeping the records correct to Dau Publishing Co., 40 West 33d Street, New York City.

PRESCRIPTION LABORATORY

The Francis Pharmacy Company

COR. PENN and OHIO STREETS

Successors to The Hurty-Francis Pharmacy Co.

THIS Pharmacy was founded in 1880 by Dr. J. N. Hurty, who was actively connected with it until 1895.

It has always been conducted along a high plane of professional regard for the duties and obligations it owes its patrons.

The compounding of prescriptions and the preparation of medicines for the sick-room is fraught with much responsibility, and every safeguard and care known to modern science in pharmacy is used by them to insure that medicines prepared and supplied are as they should be. In this connection an Analytical Laboratory is maintained, where necessary investigations are constantly being carried on to insure the highest quality of supplies purchased by them.

This same care is exercised in the selection of Toilet Articles and Cosmetics which they offer.

IT COSTS NO MORE

PRIVATE MOTOR-CYCLE DELIVERY.

NO EXTRA CHARGE

FURS! FURS! FURS! FURS! FURS!

ARE you aware we are the largest manufacturers in Indianapolis and are able to make your Furs to order from choice selected Skins that we import and buy in the raw state.

In order that we keep our help busy all the year around we make your Furs during the Spring and Summer at a reduced price consistent with first class work and store them free of charge when your order amounts to five dollars or more.

Storage of Furs solicited. They are insured against fire, theft and moths and treated with best of care, (looking a great deal better on delivery than when brought in) at a small charge.

Our reputation tells for itself as we have many patrons who are listed in this book.

No work too small for our best attention and none too particular and costly for our skill.

Buy Diamonds at Home

THREE REASONS WHY IT WOULD PAY YOU TO DO SO

FIRST—We are selling diamonds for less money than the New York or Chicago dealers ask for them.

SECOND—You are dealing with the Home Merchant whose reputation is at stake and who cannot afford to misrepresent the quality of the stones in the least.

THIRD—If anything is not perfectly satisfactory you can have it made so at once, without any unnecessary correspondence or delay.

Call and we will tell you other reasons why you should buy here.
